OPPORTUNITY

*This I beheld, or dreamed it in a dream: —
There spread a cloud of dust along a plain;
And underneath the cloud, or in it, raged
A furious battle, and men yelled, and swords
Shocked upon swords and shields, a prince's banner
Wavered, then staggered backward, hemmed by foes.*

*A craven hung along the battle's edge,
And thought, "Had I a sword of keener steel —
That blue blade that the king's son bears — but this
Blunt thing!" — he snapped and flung it from his hand.
And lowering crept away and left the field.*

*Then came the king's son, wounded, sore bestead,
And weaponless, and saw the broken sword,
Hilt-buried in the dry and trodden sand,
And ran and snatched it, and with battle-shout
Lifted afresh he hewed his enemy down,
And saved a great cause that heroic day.*

Edward R. Sill

"Ask, and it will be given you; seek and you will find; knock, and it will be opened to you. For every one who asks receives, and he who seeks finds, and to him who knocks it will be opened."

Matthew 7:7-9

ENGLISH THE BASIS OF ALL SUBJECTS

MRS. PHOEBE OREBAUGH
English 9 and 11
World History

MISS GEORGEANNA DRIVER
English 8 and 9
Social Studies 8

MRS. BETTY STROTHER
English 8 and 10
Social Studies 8

Basic grammar and general literature form the basis of English taught in the lower grades. American literature provides the theme for the eleventh grade, with studies dating from the colonial writings of Thomas Jefferson to the contemporary beauty of Robert Frost's poetry. In the twelfth grade, English literature is pervaded with such characters as Beowulf, Macbeth, and My Last Duchess providing ample quotes for memorization by frustrated seniors.

LITERATURE - MAN'S BEST THOUGHTS

MRS. MARY OREBAUGH
English 11
American History

MRS. BETTY TURNER
English 8 and 11
Social Studies 8

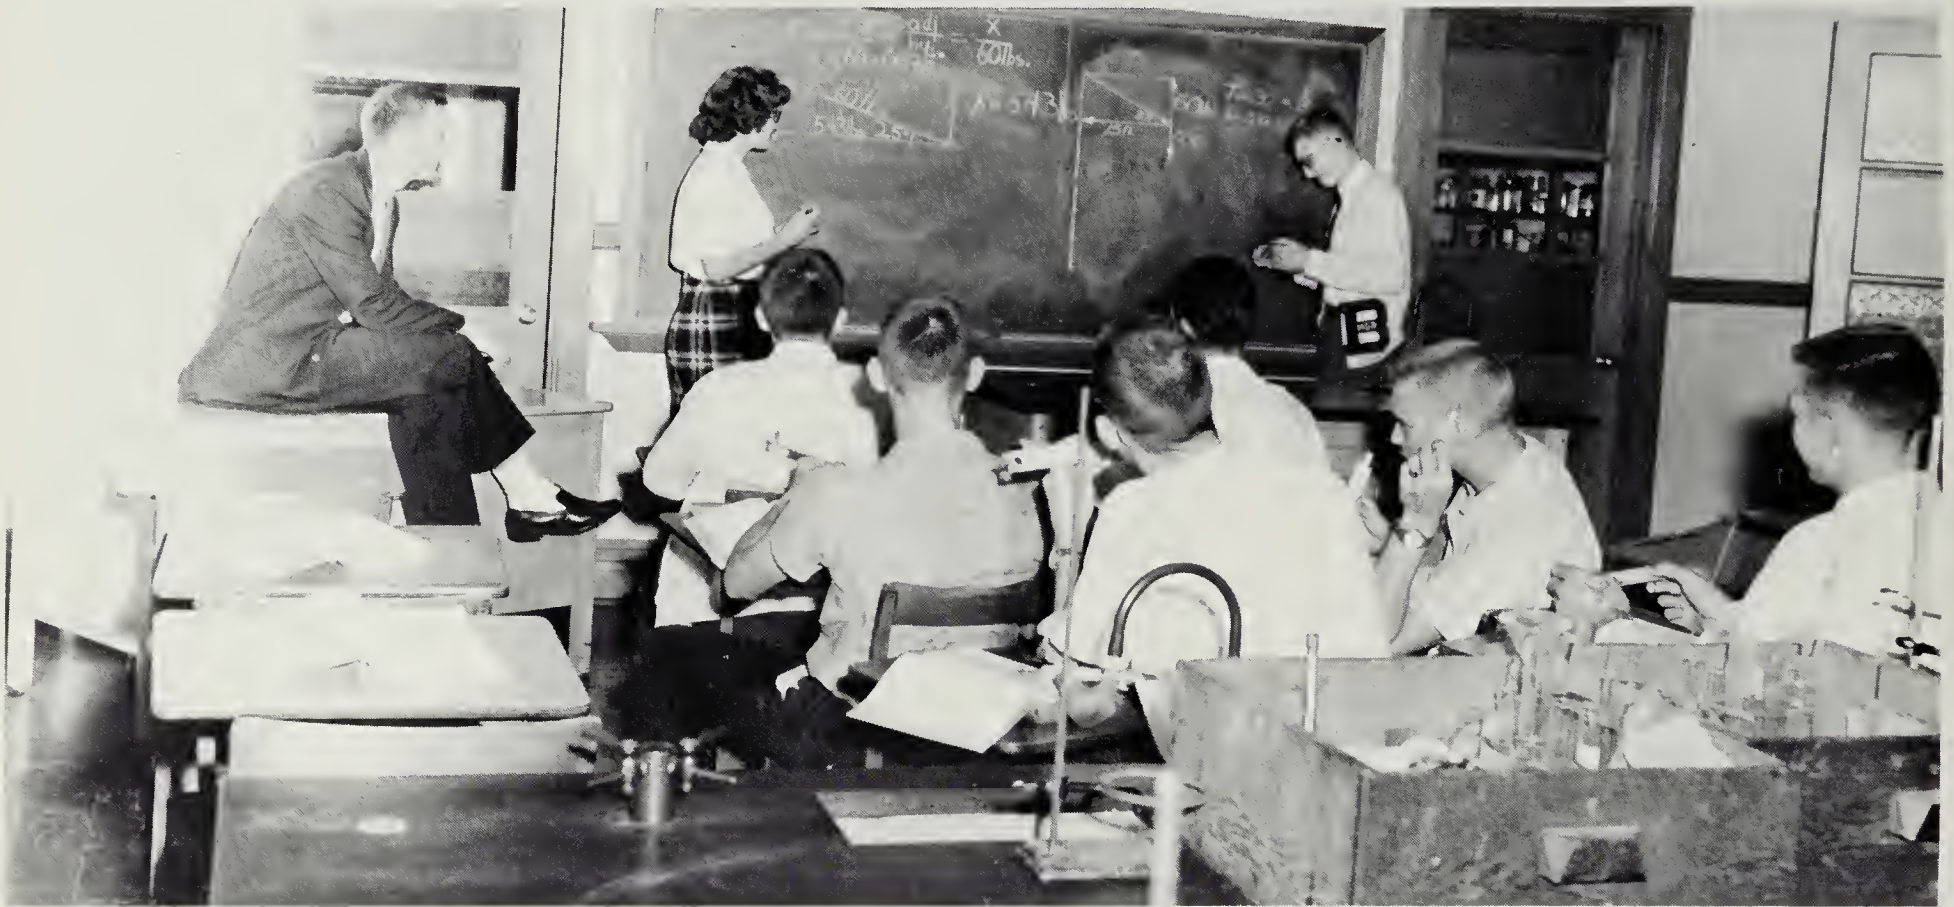

MISS BETTY DRIVER
English 8
Social Studies 8

Creative English, embodying imagination and skill, centers on public speaking: "Fourscore and seven years . . . "; poetry: "Out of the night that covers me "; short stories: " . . . and at length found myself . . . within view of the melancholy House of Usher."; essays: "Trust thyself; every heart vibrates to that iron string."; book reviews: "*The Reivers* by Faulkner does not measure up to previous standards of *Sanctuary*."; journalism: we have to meet that deadline; and dramatics: "The theories of play direction date back to the great Stanislavski of Russia"

PHYSICS, CHEMISTRY, BIOLOGY

Physics is the mathematical form of Logic.

Science in the eighth grade has the students star-gazing and drawing one-celled animals for the concentration in astronomy and biology. Meter sticks take the place of yard sticks for ninth graders when they struggle with the metric system. Biology brings out the microscopes and slides to supplement informative lectures about the composition of the plant and animal kingdoms.

Symbols and valences — valences and symbols.

World History

Greeks, Romans, Americans, Englishmen — all play their part in enlightening students in the fields of world history, government, civics, sociology, economics, and United States history. It is in these courses that the teachers attempt to answer the perennial question of "Why do we have to study history?" by relating all of the social studies.

Drafting

Drafting is the language of industry. We learn to express ourselves in this language when we make drawings that can be read and understood by skilled workmen anywhere.

DISTRIBUTIVE EDUCATION CLASS STUDY RETAILING

At Broadway High School the D. E. student has an opportunity to study a variety of different retail problems: salesmanship, merchandise information, store operation, advertising, stock control, human relations and business math.

The student is placed in a retail store in the community where he has an opportunity to apply and try what he has learned in school.

BOYS PHYSICAL EDUCATION - DOORWAY TO PHYSICAL FITNESS

MR. THOMAS ALLEBAUGH
Boys' Physical Education

Since President Kennedy's physical fitness program has gone into effect, the boys' physical education program has been stepped up to meet the increasing demands for the "All American Boy." Such sports as football, basketball, volleyball, track, tumbling, wrestling, and softball provide the media for developing this fitness program.

In the classroom the program is carried out by studying diseases, safety, nutrition, personal appearance, mental health, driver safety and other topics pertaining to being physically as well as mentally fit.

MR. PAUL HILLYARD, JR.
Boys' Physical Education

GIRLS' PHYSICAL EDUCATION - SPORTS AND HEALTH

MRS. MARY HOLM

MISS BONNIE MILLER

The girls' physical education program is aimed toward helping girls to develop grace and skill in the various activities. Leadership qualities are developed in keeping with such attributes as respect for the strength and weakness of others. The program includes such team sports as fieldball, hockey, basketball, volleyball, softball as well as dance, stunts and tumbling, archery, and recreational sports.

The health program follows the state outline in studies of safety, nutrition, infectious disease, driver education, personal hygiene, mental health, personal appearance and posture.

GUIDANCE - "LEND A HELPING HAND TO ALL"

MRS. NELLIE WAMPLER

Whether there's a question of which college to attend, a recommendation to be given, or the need for some good, friendly advice, the guidance department at Broadway High School is always ready to lend its valuable assistance.

The guidance department is responsible also for the administration of the many standardized tests given throughout the five years of high school.

SENIOR LEADERS LEAVE FAREWELL MESSAGES

Friends,

In my message, I wish to use the foreword from my mother's annual, Mahigan, Mathias, West Virginia.

"As each mystery of life encounters you in the future, it is then that you will wish to go back across the threshold and into the past of happy school days again. But the door is closed and the bar is on the other side, where only those there can lift it. You, unfortunate one, with no amount of force can pull it open; but you can pull open the doors of Memories and, in doing so, may you regain through memory the old haunting Charm of your most delightful course through life."

Connie Onebaugh
Yearbook Editor

Student Body,

The opportunity of receiving an education should be greatly valued by everyone. After our graduation, we realize more the importance of our schools and the role they play in our lives.

We should be proud of our high school and in no way degrade it and our Community by actions which are abhorred and looked upon with disgrace by the public. Instead of actions that tend to reflect shame, dishonor, and disrepute, may the class of 1963 serve as a turning point by alleviating this problem and bringing respect to our school.

George M. Fulk
Student Council President

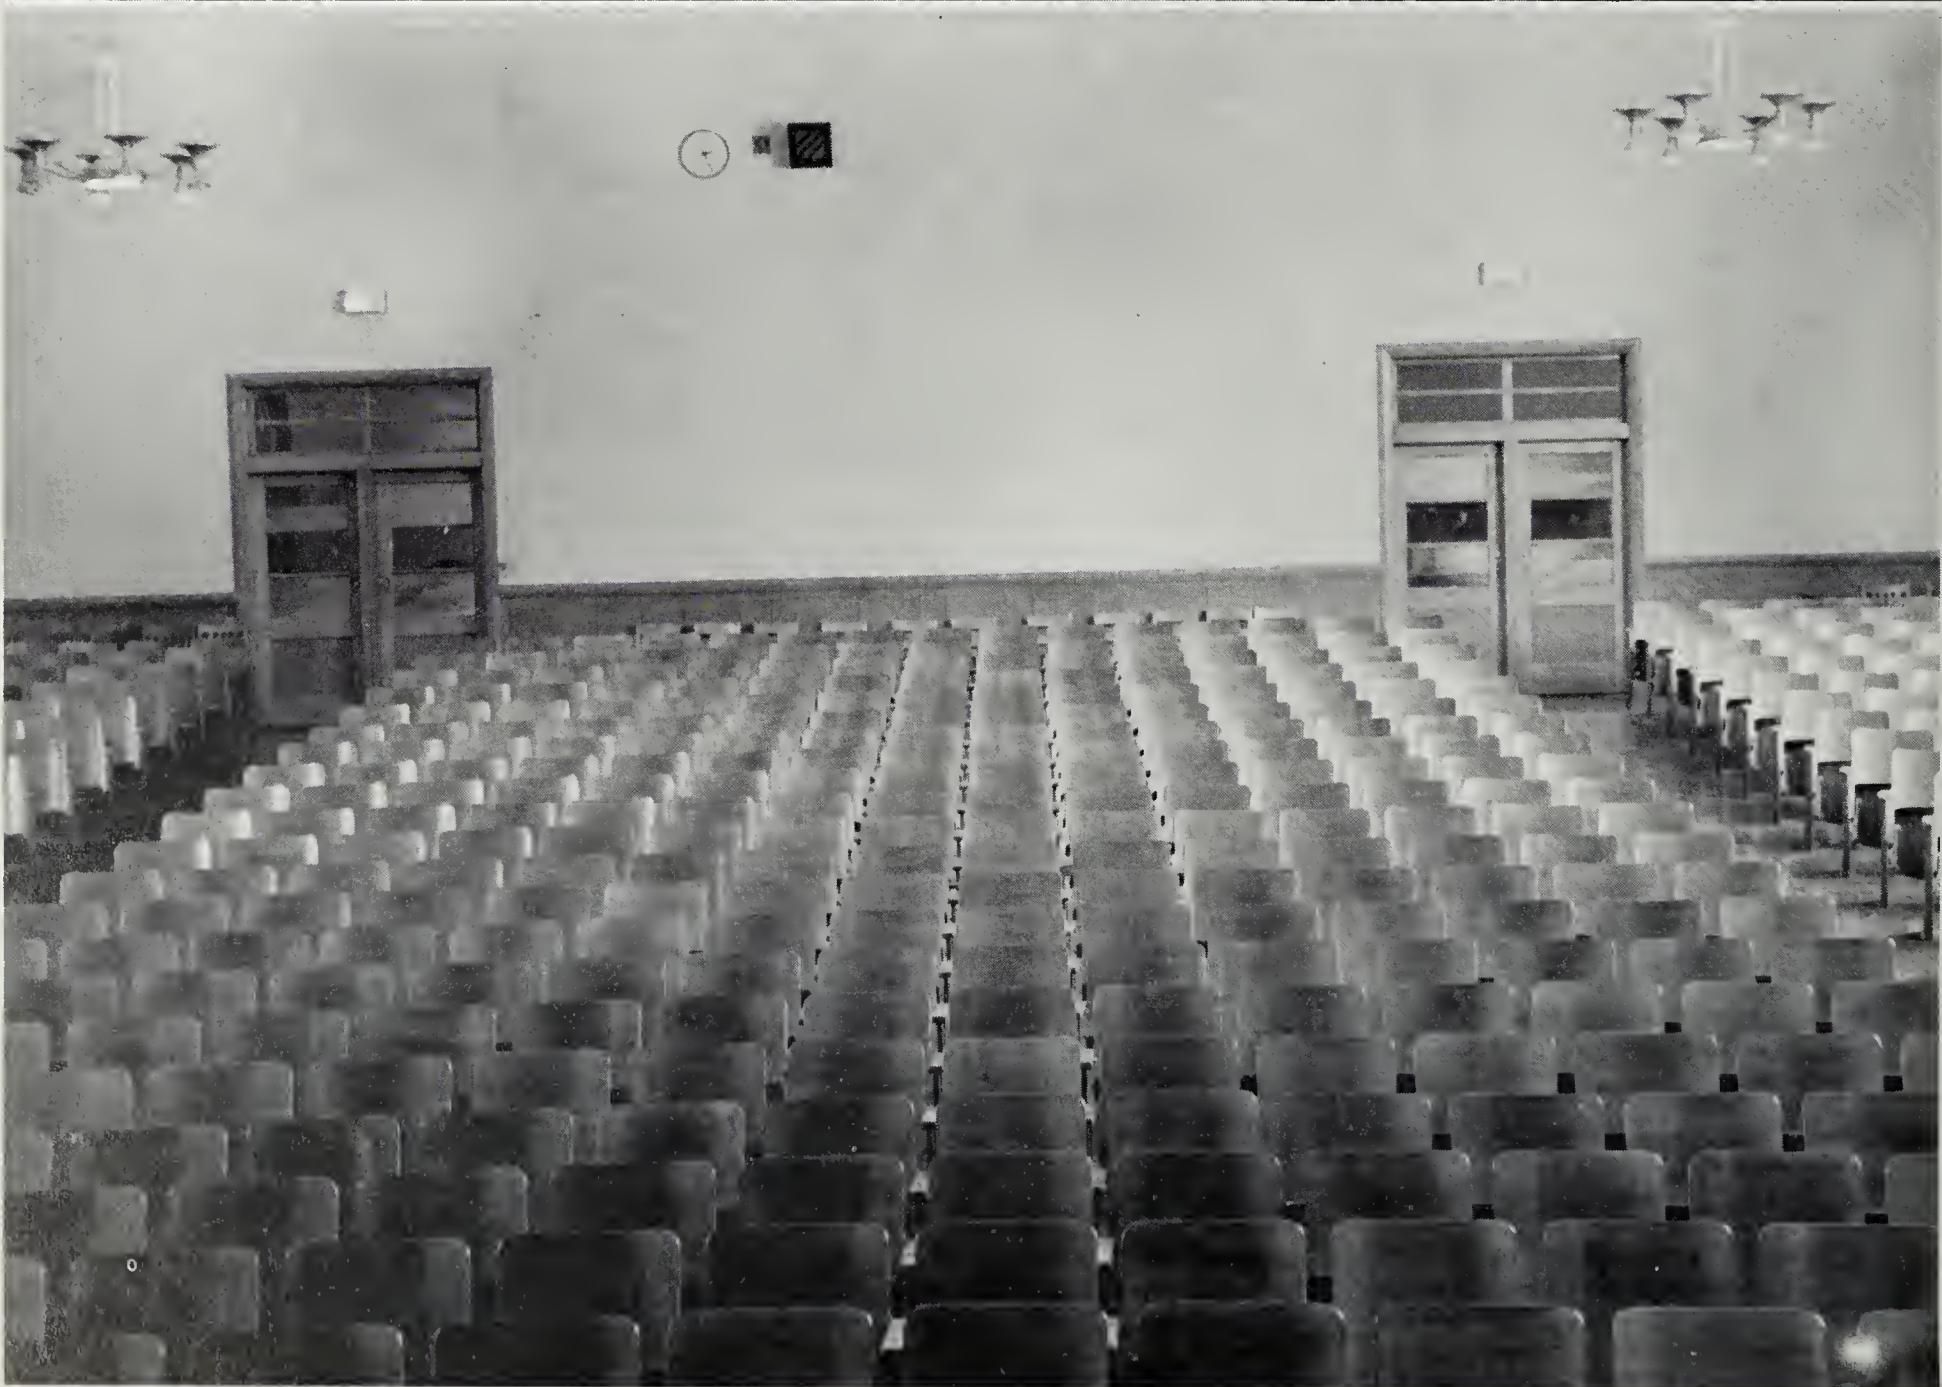

Fellow Seniors,

As we graduate from high school, we are faced with the challenge to use our diploma as a key to open different and more advanced doors of opportunity. Our choices will determine our future happiness and success. The keys are ours, and the doors are before us; therefore we must possess the initiative and accept the challenge to live our very best.

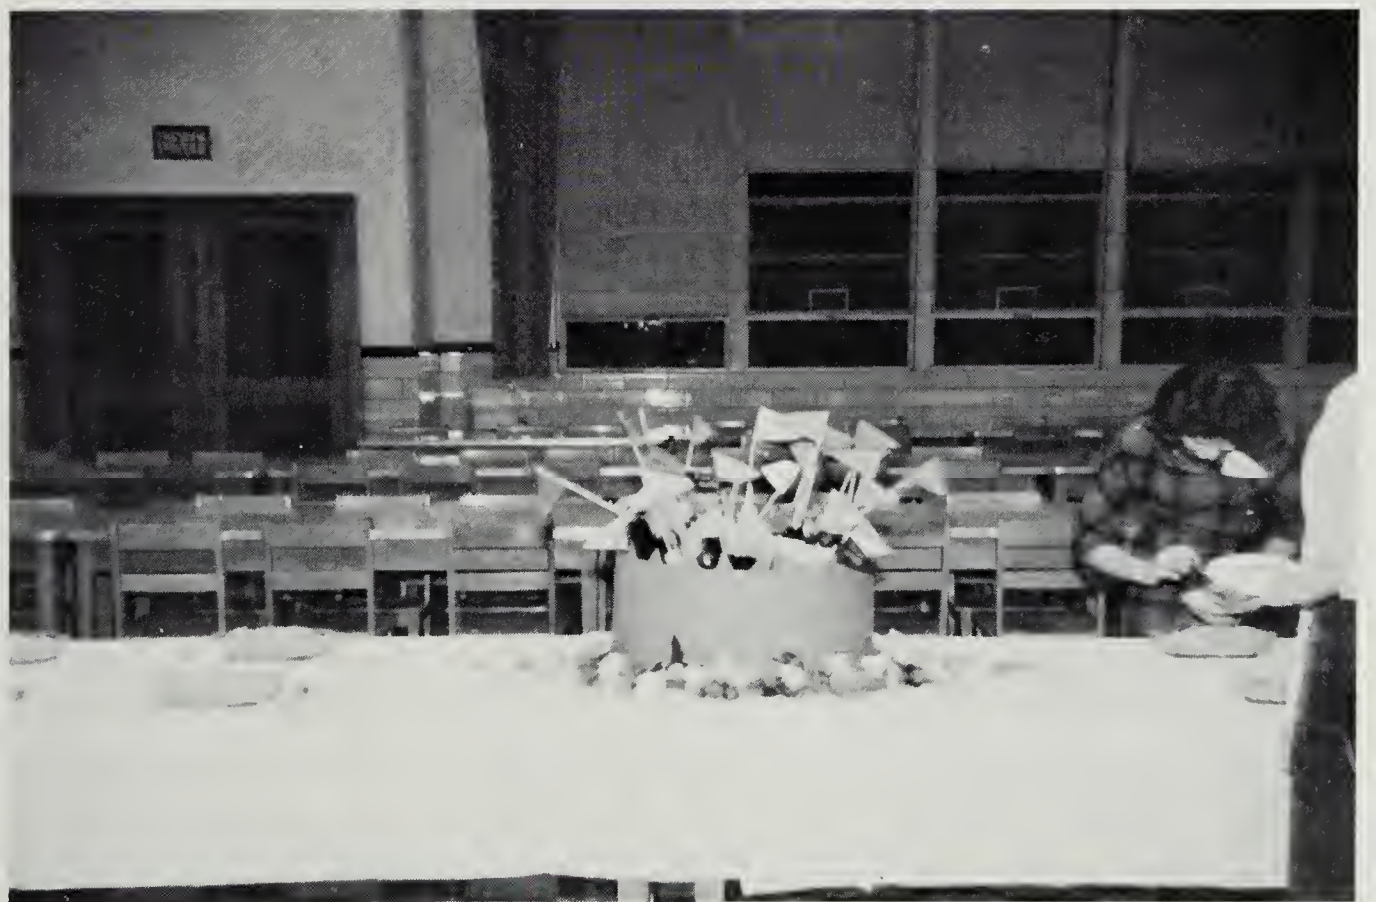

Phyllis Sampson
Senior Class President

The doors of their high school experiences close behind them as they go out to lift latches of greater opportunities.

SPECIAL OCCASIONS

CONNIE KAGEY IS CROWNED FOOTBALL QUEEN AT HOMECOMING GAME

**OCTOBER
20
1962**

**BROADWAY
VS.
HANDLEY**

Tri-Captains, Howard Armstrong, Stuart Showalter, and Carlon Lantz — crown the Queen. Her attendants are Judy Runion, 12th Grade; Emma Ritchie, 11th Grade; Joan Garber, 10th Grade; Bonnie Cline, 9th Grade; and Shirley Keister, 8th Grade.

At halftime, the band forms a crown preceding the coronation ceremonies.

The Queen and her court are intent upon watching the game.

EDUCATION MEETS THE CHALLENGE OF CHANGE

THEME OF NATIONAL EDUCATION WEEK

Parents visit school and are served refreshments in the cafeteria.

Visitors accompanied by their pupil sons and daughters meet teachers and observe various displays.

THE MIXED CHORUS PRESENTS

The entire action of the operetta takes place on the corner of a small Missouri town in the year of "once upon a time."

DIRECTION

Music ----- Mr. Joseph Miller
Dramatics -- Miss Betty Driver
Student Director -- Helen Lantz

MISSISSIPPI MELODY

"Mississippi, flow on past my door,
Mississippi, stay on your own floor.
When you're glad, you bring delight to me
When you're mad, you're an awful sight to see.
Once I left you, won't do that no more,
I want to live and die by that Mississippi River shore."

“BURK” — THIS IS YOUR LIFE

Thank goodness those HIGH doors of opportunity.

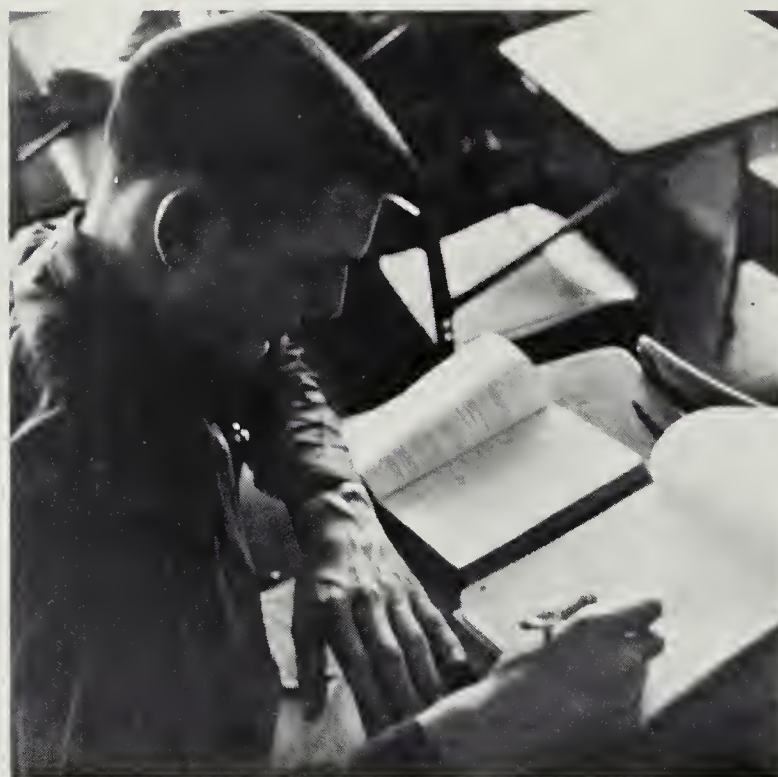

Broadway's feature attraction walks to class.

Him, again!!!

Burk dunks the ball to make another two points to maintain his 23.7 average.

Time out to study!
